COMPANY PROFILE

Drop an eye on us:

'A gift leads to celebration' is the mantra of SX, which was established in 1994. This was the year when the idea of doing something divergent came into the brain of the founder of SX and he had put his foot in the corporate gifts industry. In the beginning, our journey was very arduous, but with our austerity, we have given toe-to-toe competition to our competitors. We have maintained loyalty towards our clients and always serve them with authentic ideas. It's an honour for the company to share our new catalogue having more than 500 products including trophies, gift sets, mementos, badges, lapel pins, coins, and endless other accessories.

We are proud to introduce ourselves as an impeccable company with highly experienced staff and more than 500 resellers serving in this sector. Due to our hard work, we ensure the highest levels of certainty and satisfaction through a deep-set commitment to our clients globally.
